

Dear Member of Congress:

Global warming poses a serious threat to my family, my community, and my way of life. As the Representative from my district, I am asking you to champion strong solutions to global warming that don't include dirty, dangerous sources of energy like coal and nuclear. We're counting on you: you're in the Hot Seat!

Sincerely,

Name (print): _____

Address: _____

City/State/Zip: _____

Phone: _____ Email: _____

I'm interested in Project Hot Seat campaign updates and action alerts:

Project Hot Seat is a project of GREENPEACE, Food Matters Action, STOP UP2, 100% soy. Printed on 100% post-consumer paper with soy-based ink. PROJECT HOT SEAT
